## **Oklahoma City Chapter** Excellence in Chapter Leadership Development

The Oklahoma City Chapter of AACN has been a cornerstone of excellence in critical care nursing since 1973. As we celebrate 50 years, we remain committed to advancing patient care and supporting professional growth. Leadership transitions are thoughtfully planned, with two-year terms for the president-elect and treasurer to ensure continuity and stability. Board meetings encourage open dialogue, fostering collaboration and member engagement. Education is at the heart of our mission. Annual events such as the CCRN/PCCN review, Slice of NTI and Spring Symposium, along with monthly educational sessions, keep nurses informed on the latest advancements. Strong partnerships with vendors and mentorship from past leaders enhance these efforts. By creating a culture of learning, growth and collaboration, we empower nurses to excel in their roles, ensuring our chapter continues to thrive as a leader in critical care nursing.
