

# CIRCLE OF EXCELLENCE 2025

## **Broward County Chapter**

### **Excellence in Chapter Leadership Development**

Over the last four years, AACN's Broward County Chapter (BCC) faced challenges due to the pandemic, including canceled events and limited physical connections. Our leadership struggled to adapt, but efforts were made to mentor a successor. Recently, the chapter has focused on succession planning and leadership transition. Initiatives include creating group chats for new leaders, reviewing job descriptions, offering scholarships, restructuring board meetings, creating volunteer opportunities and developing presentations on membership value. Social media accounts were also launched to engage nurses. These efforts have led to the recruitment of 12 new members, 19 membership renewals and increased local engagement. The chapter continues to grow and adapt, aiming to reach more nurses and promote safe patient care and healthy work environments.
